

Dear Teachers,

I know you are all anxiously awaiting the results of yesterday's auditions. Clyde Mitchell and Anita Comba had a very difficult time choosing between the students and wished they could have included every one of them as they were all so deserving. They all looked stunning in their beautiful outfits and there was nice congeniality in the lobby. As it is, Clyde has increased the number of Bell performers to 20. Here are the results.

**Congratulations again to all the participants!**

The 20 students that are playing in the Langley Community Music School concert must change their selection if there is an asterik (\*) following their name. I would appreciate the selection changes by **February 4<sup>th</sup>** at the latest.

Please advise the students that will be playing in the LCMS concert on May 10th that they will be playing on a 9 ft. Steinway; that there will be a reception following the concert; that there will be a DVD of the performance; and that we are negotiating with Ian Parker to give these students their own masterclass. Clyde and Ian will be in attendance at the Friday concert.

The students that will be playing at the Bell Centre will have a masterclass on the Wednesday before May 12th and two rehearsals with Clyde Mitchell. The second will be at the Bell Centre on the Sunday afternoon prior to the concert. The first will be at LCMS in the Rose Gellert Hall sometime during the week before the performance TBA; Clyde Mitchell has offered to bring a string quartet to accompany the students at this rehearsal.

### **Feature Recitals**

Also, a reminder that the 20 "Bell" students listed above must play in both our Feature Recitals on February 17th and April 7th. The 20 "Langley" students must choose one of the recitals; however it is on a first-come first-serve basis as we will add 10 of them to each recital.

### **Thank You's**

Congratulations again to everyone involved. A huge thank you to Catherine Bundt, Sylvia Leigh and Paul Sleightholme for volunteering (okay, one at least had his arm twisted!) at the Auditions. Thank you to Kevin Thompson for his amazing photography skills; Kevin has photographed all the students for our programmes and additional publicity.

I know this is a lot of information to digest. I will email everyone involved with more details as they become formalized.

Again, congratulations to every performer. They did the South Fraser Branch proud!!

Sincerely,  
Brenda Sleightholme
